IPL (flash light technology) Skin Rejuvenation

Treatment Zones	Prices singular	6er Abo inkl. 10%

Skin rejuvenation:
Intensive light impulses stimulate the skin to increase the production of collagen and elastin. The result is a toned and smoot complexion.
Repeating the treatment strengthens the results and lasts several months.

6 Treatments every 14 days
- Toned, smooth complexion

Face & neck	324.-	1750.-
Face, neck and decollete	486.-	2625.-

Brightening with fruit acid and skin rejuvenation:
In the case of pigment spots, acne scars and wrinkles, a fruit peeling enhances the effect of the treatment.

6 Treatments every 14 Days
- Toned, smooth complexion
- Reduces scarring and pigmentation
- Brightening

Face	270.-	1458.-

Pigment-treatment and skin rejuvenation:
Pigment spots and sun spots are bleached by intensiv light impulses.
